Local authority property quite near to underground. Safe area. Flat very clean. Asked to remove shoes on entering flat. Nice clean bedroom and bathroom with hot water and towels.

The Lady:

Probably about 5'3" tall with long blond hair. When she opened the door, she was teetering on very high heels. She is slim and quite pretty, not busty but with lovely small breasts with large nipples. Her body is a delight, firm and smooth. She is known as Violet X on the other site. she does most services but charges ?20 extra for anal.

The Story:

When I arrived Violet took me to the bedroom and I told her that I wanted to finish with a facial - something that I have wanted to try for years and which she advertised. She made a face but agreed. Having sorted out the paperwork I then went off to have a shower.

On returning she was sitting on the bed. I tried some small talk and discovered that she was Hungarian from Budapest. More than that was impossible - the only other English she understood were words associated with sex.

She was a delight. I lay on the bed and we kissed and I gradually undressed her, licking both nipples until they were erect. Meanwhile I was getting my fingers inside her knickers and played with her pussy. There was no doubt from her sighs that she was enjoying this but as I thought I was gradually bringing her to a climax, she suddenly pulled away as it was time to suck my cock.

She applied the condom expertly (she does CIM but I did not ask for this) and settled down to some expert sucking. Soon we were in a 69 and I licked her lovely pussy. I was finding it difficult to hold on and I had to ask her to stop on several occasions.

Suddenly she told me I had five minutes left. I fucked in a rush, but I think her warning had interrupted my reverie, and I was gradually losing my erection. So I cut my losses and had her kneel in front of me while I wanked myself off over her face. She made this difficult by putting her hand over her eyes and directing my emissions onto her nose and mouth. Finally I came and directed my spunk as required onto her face. Fantastic! Mission accomplished.

I felt a bit bad afterwards as I dropped spunk onto her tits and leg. However, we cleaned up and I went to the bathroom for a wash. When I returned she gave me a big smile and asked me if I was OK. I replied that I was and thanked her. We left on good terms and I resolved to do this again, if not with Violet, with someone else.

She is a lovely girl but a bit mechanical and strict with the timekeeping.
