As others described, clean apartment, easy to find in a residential street. Maximum 5 min walk from Gloucester Road or South Kensington station.

The Lady:

Stunningly beautiful Polish (half Italian) girl around her 30's. Pretty face, fantastic body, some say small breasts but she's size 8 so they fit her perfectly (please don't do anything to them Izabel, real men like real tits ;)...). Lovely smile, personality and attitude.

The Story:

Izabel entered the room in sexy outfit (black corset, stockings, high heels and underwear), the only word I was able to say then was: 'Wow!'. We quickly 'found a common language' although soon after she told me off for having my clothes still on and then started to undress me while kissing. She asked me what I wished to do, but I preferred to leave it for her to decide. It was quite clear what she wanted as she gave me a naughty look, took my cock and proceeded to oral. Turned me on quickly and it wasn't long when I moved her round for 69 fun. I didn't want to finish too soon so asked her to lie down and licked her which she seemed to like very much. Next she played with her pussy while I was watching but I couldn't resist any longer, so it was time for a rubber on and Izabel suggested doggy in front of the mirror which seemed great idea, the view was fantastic. After a while we changed positions so she was lying down on the edge of the bed while I was standing fucking her. I took the condom off just before cumming and shoot my load onto her breasts and body. Bit of cleaning around and as we had some time left Izabel gave me a nice massage. We talked about different things until it was time to go which she signalled by giving me a spank heh :). Except great attitude in bed I liked Izabel as she is very nice girl to talk, it was like a chat with some friend you didn't see for sime time. She's a gem!
