The Story:

Perola's reviews made me choose to spend time with her. However I was very disappointed. French Kissing was definitely off the menu even though her profile says she enjoys it! simple lips contact.

This lady came across as very friendly and bubbly to start with but once in the room it seemed to change. It started off with a long list of things she doesn't do: no cim, no cof, etc.! Not as I usually find 'what would you like to do??' and work it out from there! Very unfriendly, bad attitude.

Her single sexual technique involved bouncing up and down on my object like on a trampoline.

Then she decided I'd had enough of her 'hard work' and only wanted to give a hand job (ineptly) instead. I don't know about you, but I don't pay ?150 for a hand job. I suggested she use her mouth again: she became genuinely unpleasant - "Are you going to finish or what ?" Very erotic.

The impression is that she was just in it for the money. Yes I know most girls are ? but some girls are better at making you feel good about yourself and special but sadly Perola wasn't one of them. It's a shame because like I said it look promising based on her feedbacks on some sites. Perola is one of the few girls I won't go and see again. Forget her!
