The Premises:

A well-reported establishment. One of the cheapest in the area and you pay for what you get. The room is very comfortable though. No washing facilities in the room itself, but this is not an issue. Very discrete entry-way off the main road.

The Lady:

A petite busty lady in her mid-30?s, I would judge. A lovely personality, eager to please. I found Dawn very personable and she outlined all her specialities, which was pretty much everything.

The Story:

Passing through the Steel City, I was short on time, and opted for the fast service offered in this establishment. Although a massage was suggested, I declined, preferring to move onto the main event. Dawn?s oral skills are exceptional and once guided on my particular likes, she obliged admirably. Positions were discussed and I concluded the encounter very satisfactorily with some exquisite DP.

I would recommend this lady and am intrigued on what other pleasures I could prevail from such a delight...
