### The Premises:

It was a nice area near Milton Keynes shopping center MK9, ample space of cheap parking.

### The Lady:

the body was very good with nice pair of boobs and tattos.

### The Story:

Actually I book her for half an hour, arrive at the place 5 minutes early, the other lady open the door and showed me the room, Honey arrive at 3.05 pm( 5 min late), then we sorted with the money and back to the game, undressing playing with the boobs etc, very nice figure and good lips.

I asked to use oil on her body but it was refused ,at 3.20 pm she said to me you've five more minutes as this room need to empty before 3.30 which was quite embarrassing requested for finish with the shower but she said she can't take shower together but she can show me the shower area.After all this I left well early at 3.25 after only spending 20 min and actually paying for 30.

Overall it was a bad experience as she was not interested in doing her job properly and just wanted to get rid of me quickly as possible,which she did in the end.
