The Story:

I had originally arranged to see Megan but when I turned up it was Scarlett who greeted me and given her stunning appearance I did not argue. I was shown to the room and waited about 5 mins before Scarlett entered the room.

On the whole a very disappointing punt - Scarlett is one of those WG's who within the first 5 minutes are trying to make you come. There was no or little build up - as soon as she had the opportunity Scarlett was wanking my cock intent on getting me to come. We broke off for some RO and that was ok. But then we were back to the wanking. After a couple of minutes I got fed up and came.

To put the punt into perspective I was still trying to park the car at 2.55 - by 3.20 I was back in car driving home. Not my idea of a good punt. I should've offered to pay 40 quid for the 15 minutes and see how she reacted to that.

I would not recommend Scarlett at club classique
