The Premises:

This upstairs flat is behind a parade of shops near the railway station. The bedroom is clean and spacious. This was my second visit to this address. The bookings are taken by a Chinese man and he lets you into the flat.

The Lady:

A busty, mature Oriental lady, probably Chinese. Her English wasn't too good, but we got through the session ok.

The Story:

The session started with a firm massage and progressed to sex in two positions, doggy and missionary. I finished by coming over her breasts.

I will change punting style now having seen a few of these mature lady's this year.
