### The Premises:

I tried a couple of numbers for Far Eastern girls - one went to answerphone and the other was unobtainable. I rang the number on Narborough Road not expecting a reply as my previous FR has been deleted as "retired or moved on" but Malee answered the phone and I arranged to go round in 10 minutes. When I got there Malee said the girl was just around the corner but I asked if I could see her and she agreed.

### The Lady:

Malee stands 5' nothing with a great body and large enhanced tits. She has some tattoos and is fully shaven.

### The Story:

After waiting for her to get changed we stood and explored each others bodies. Then she went down on me and gave me amazing OWO. I stood pumping in her mouth whilst she knelt in front of me. It was hard to resist CIM. She asked me to lay on my back on the bed and she worked oil around my genitals. She then climbed on top of me and rubbed her shaven cunt up and down my stiff prick. Although she had a condom ready for me to fuck her it wasn't needed as I just couldn't stop myself coming on us both. Wow what an experience. As I left she said that the girl she had been expecting was the Russian girl I had seen before - I'm really glad she wasn't there.
