The Premises:

A luxury basement flat , 2 bedrooms , 2 bathrooms , lots of space . Safe to visit, warm inside , you will be comfortable here . You can lock your bicycle to the iron railings at street level . It will still be there when you leave. Not a bicycle thief in sight . Good for public transport also and as usual I took a bus .

The Lady:

Minnie was wearing a red ribbon , one piece set like you see on her web pics, pretty , tied with a bow. Pull the strings and she is naked . Wearing black high heeled shoes .

Minnie is 24 years old , nice natural breasts , big nipples , shaven below , no tattoos / body piercings . Brown hair cascading onto her shoulders . She has really nice hair , hair is important , oh , and she's new from Thailand .

I hope Aisha gets her natural pics online so you can see her at her best [she really does look better than her studio glamour shoot]

The Story:

Minnie is my cartoon girl . If you've been to Akihabara in Tokyo and seen the cute cartoon girls who dress up as their favourite characters and pose in the street , you will know what I mean . She is my Minnie Mouse , a quiet reserved girl , shy , innocent , cuttie , one not to be missed , you only have five months left to meet her boys .

" am I too heavy for you ? " asked Minnie Mouse as she sat on my lap facing me , as we kissed , me in my underpants , her still dressed in her ribbon dress .

" not at all , I could pick you up with one hand " , I reply.

Minnie gives a real GFE service as she is new to escorting, don't let that put you off, she is something to be seen . She has a true , natural body , I was very impressed with her .

She took me to her bathroom after handing me a glass of chilled white wine , there she washed me while I stood in the bath. She dried me with fresh towels and I followed her back to her bedroom , my eyes fixed on her small sexy bum . I unwrapped her on the bed and had a taste of her Yoo Hoo

when she spread her legs open and laid back purring like a kitten . Sex was cowgirl, with her riding first slowly, then fast , then slow again , just GF sex , she made it all feel so natural until I climaxed inside the condom .

She gave a massage then went for round two without prompting , more OWO and 69 with her lightweight body over me , but I wasn't up for another orgasmo , but boy did it feel good trying .

Before I left I had the opportunity to see her dressed in her schoolgirl set [as in her web pics complete with pigtails] and she looked so sexy . This is a girl a little different to the usual Thai wg , her inexperience is what will attract you . The fact that she hasn't seen that many punters may draw you in to see her to get in first before the rush .

Go see her before she disappears between the gap between the floor and the skirting board or Micky takes her away from us , or a young handsome punter catches her in his mouse-trap and cages her in marriage .

This is Minnie Mouse .
