The Premises:

Flat situated in a quiet cul de sac. At that time of the day it was very easy to park nearby. The flat was clean, cool, and nicely decorated. It is a residential area and I immediately felt comfortable.

The Lady:

Danni is about 5ft 7, with beautiful smooth dark olive skin and long black hair. Fantastic figure, with curves in all the right places, sparkling eyes, and lovely long legs.

The Story:

I hadn't seen Danni for a long time, due to my working commitments abroad, but I was welcomed with a beautiful smile and immediately made to feel welcome and special. Conversation was easy from the start, and I was offered a shower, which I accepted. Danni came and chatted with me during the shower. I was offered a sparkling drink and was then shown into the bedroom, with a low, firm, comfortable bed.. Danni slowly undressed for me in an erotic way, then proceeded to massage me sensually, first on my back, then on my front which made me really excited (wow she really is an expert!). She massaged my throbbing shaft and complimented me on my size. When she saw I was ready she slipped on the cover and we made love in many different positions until I could not hold back any longer. I was lucky to have 2 orgasms with her, as she made me feel so strong! A truly wonderful g/f experience. We lay quietly afterwards and had intelligent conversation. I did not feel rushed at all, and was amazed how quickly the time passed. I really did not want to leave!
