### The Premises:

Incall in Sheffield hotel. Yes, I survived the 'Sheffield' experience!!!!

### The Lady:

Tall, Slim, attractive, 'blonde', lovely skin, mid-30's, very pretty blue eyes.

### The Story:

I have been waiting to see Shelly for a long time & I wasn't disappointed. I fnacied her straight away !!!

When I got to the hotel I was warmly greeted with a kiss and a hug. I brought some food with me and we ate some of that and chatted for half an hour. I had a shower and what followed was better than GFE.... she kisses like U have known her for years, her OWO was a toe curling experience.... and her use of the strawberries and cream I brought is something I will never forget.... neither will my nipples !!!! I think Shelly loves her job and this was proved by the positive responses I got when I went down on her. I think she can be very raunchy.... something I hope to experience next time.... A lovely two hours!

I know this FR is a bit more explicit than the others but I thought I would dare to go a bit further....

Please treat her with respect coz she is a treasure...
