The Premises:

A smart apartment around 10 minutes walk from the nearest tube station. Typical of the smarter parts of south west London, the area was fine. The apartment was clean & tidy, and the shower was excellent.

The Lady:

Beguilingly beautiful. Think of a younger, prettier Michelle Dockery (Downton Abbey actress). Such comparisons are apt to be somewhat trite, but it should give you an idea.

She doesn't show her face in the photos on her website, which is understandable for the purpose of discretion, but rest assured she is very attractive. Her smile will enchant you, involving as it does her whole face. Not the fake smile you see with some girls.

Physically very attractive; the photos on her website are accurate. Wonderful, soft firm breasts, smooth pale skin, gracile neck and limbs.

The Story:

I arrived a few minutes late - I'd bought a bottle of champagne with me, and having read an earlier report where a similar gift had somewhat explosive results, I walked slowly so as not to shake the bottle up too much, hence the lateness. Rosie was fine about it.

Rosie greeted me, led me though to the bedroom and showed me where the shower and towels were. I showered while she chilled the champagne and brought glasses.

We spent a pleasant while chatting and getting to know each other a little, sharing the champagne, before kissing and progressing onto other intimate pleasures.

Rosie provided a great girl friend experience; warm and sensual, at times gentle, at others passionate. She is a skilful lover, surprisingly so for one so young. I had a thoroughly enjoyable time as she indulged my fascination with caressing and kissing her exquisite form.

The three hours sped by. I noticed we'd run over by 10 or 15 minutes and had to make moves to

leave as I had a subsequent (and much less rewarding) social meeting arranged. At no time did Rosie clock-watch or try to hurry me out.

This was my first meeting with this gorgeous colleen; I sincerely intend that it will be one of many.
