The Story:

nice apartment and i was welcomed and made comfy. Couldnt take my eyes off her as she organised herself. Quickly paid up and showered. Joinded her on the bed and she wa straight into action. Slowed her down and she showed me the contents of her toy draw. Wow a toy for everything. Let her use a star on me and that was fun and she is very considerate as she ahgged me and wanked me at the same time. That had me on the edge so got rid of the strap on and shgged her in cg (well she actually shagged me). Then onto her back and i did like that till i came.
