### The Premises:

I met this lady many years ago when she was escorting in London, so was very surprised by her pics appearing on the gallery.

### The Lady:

She was a stunning as ever, beautiful body, stunning legs and bigger boobs then when I last saw her.

### The Story:

Started by senuous french kissing, owo and finished in prolonged missionary kissing continously. Not sure if she's going to hang around judging by our conversation, but hope she does as I would love to see her again.
