The Premises:

Some while since I have done this so somewhat nervous as I approached the rather nondescript house near a convenient car park in Central MK. Access straightforward and welcoming and put at my ease.

The Lady:

Ciara entered the room and after introducing herself left me in no doubt about her enthusiasm - Wow. Very attractive girl with a great figure and a lovely friendly manner. (now why can't all girls do this?)

Some interesting piercings and tattoos but all quite tasteful. Seemed relaxed and happy to chat (well lots of it was MMMs and ahhs actually!!)

The Story:

Nice friendly kisses and cuddles leading quickly on to more exploration and fun. Lovely soft boobs with very playable nipples. She asked if she could sit on my face - well, who was I to argue. Tasted great and my tongue was quickly at work and she certainly made encouraging noises and comments. I'd asked for WS and she kept teasing me about her little surprise - which she kept to the end after some fantastic 69.

Ciara was very attentive and knew exactly which buttons to push. So - "Full Marks" for a young star.
