The Story:

Honey is absolutely amazing, not only great looks but she makes you feel instantly at ease, she talks dirty and is just brilliant at what she does. My favourite pornstar!

My second visit to Honey, after a couple months passed I could not resist, she entered the room and instantly remembered me as last time I accidently spunked in her eye on the first instance (it was 2 weeks worth too)!

Bit of kissing, both stripped off. Honey was begging for my spunk, I said i had three loads in me (wishful thinking!). Then she jumped to her knees straight down with OWO, then moved to the bed where she continued with great OWO, then Honey put the condom on me without any hands! Then into missionary with that sexy dirty talk, then back to OWO for an explosive CIM. Had a catch-up chat, then Honey grabbed my cock and was begging for more spunk! So more OWO then a handjob while spitting on my cock, smacking it against her tongue, with the OWO and handjob intensifying it brought me to another explosive CIM.

All in all another great experience with Honey, highly recommended!

Honey, I will see you again soon for my first 2-girl experience, you will have to share all my spunk tho ;-)
