### The Premises:

A flat on the first floor on a main road.

The flat itself is well kept and clean.

Lower flat in a nice street close to the underground.

Well tended and clean.

### The Lady:

Trim and slim, not very big boobs but shapely. Good looking girl aged around 27.

### The Story:

Zoey chatted quite a bit and has a pleasant manner.

I'd liked to have gotten right down to business but she wanted to give me a massage first.

I suppose that helped to ease us in a bit. She is good at massaging and within minutes I was getting hard. She gave me hand relief and stoked my balls.

She then gave me more massage and I felt her tits and licked her.

I wanted to shag her but her hands were doing too good a job and finally I came.

Will be worth a return visit to complete the job.
