The Lady:

Rose is in her early 40's but does not look her age. Slim and petite she has a well toned body most 20 year olds would envy. Every guys fantasy MILF. Dressed to please and has a large range of outfits she will happily wear on request. Rose is an easy going, lovely person who would put anyone instantly at ease.

The Story:

Wow, what a find Rose was, or Queen Rose as she is known on another site. I had requested a slutty housewife look and Rose did not disappoint - micro skirt, white blouse unbuttoned enough to reveal black bra and fuck me heels. We had barely said hello before we were engaged in a DFK - what better way to introduce ourselves to each other! I followed Rose upstairs which presented me with a look of her fantastic legs. This lady is in great shape.

I was offered a drink and we got money out of way before moving to bedroom. Rose has the reputation of being a deep throat specialist. I have never experienced deep throat because of the thickness of my cock so was sceptical about Rose's ability to take me all the way. Boy did she surprise me - it was quite obvious why she has the reputation as the queen of deep throat and she did not disappoint.

After this everything became a bit of a blur but the session included reverse oral, protected sex in variety of positions before finally cumming in Rose's mouth - she swallowed the lot! The whole session was interspersed with lots of kissing which I love.

i have been punting on and off for many years but there is no question that Rose is right up at the top of my list.
