The Premises:

London Retreat reported on many times - Friendly, safe, clean, discrete, well equipped.

The Lady:

Beautiful - wonderful lips - slim - delicious - sort of girl you could fall head over heels for.

The Story:

This was my second ?date? with Danni, the first one being 4 weeks earlier when she gave me a lesbian GFE, in which she seduced and then deflowered me, and introduced me to the some of the delights girls can give each other.

My second visit was a sort of continuation of the first. We started by making out and then proceeded to some girl-on-girl action in the 69 position, she fingering and teasing my pussy with a vibrator while I was licking and sucking on hers. She then removed my corset top and then had to give me an OTK spanking for not being totally honest with her at on my first visit. However, she forgave me after this and proceeded to gently suck, nibble and caress my breasts, which was one of the most beautiful things I've ever experienced.

Following my supposed naive curiosity as to the use of some of the equipment, I found myself strapped over the horse. Not one to miss an opportunity, Danni then proceeded gave me a ?solo spit-roast?, inserting a dildo in my pussy and then filling my mouth with her strap-on. When she decided I'd had enough of that she then strapped a ball-gag over my head to stop my (pre-arranged) protests and then took me from behind.

When finally released I then rode her strap-on cowgirl style, we then cuddled for a while and then finished with me on my back in the missionary position, with her finally declaring me to be well and truly fucked.

Danni is a gorgeous young lady who is very good at interpreting her clients' desires and fantasies, and fully engages herself in role play. She is also a genuinely nice, friendly person and it is a

pleasure to spend any time in her company. Love her mischievous wicked laugh! I'm already thinking of scenarios for my next visit...

For any other T-girls reading this and are looking for a lesbian GFE, Danni gets my highest recommendation.
