The Premises:

This was an incall at a nice small hotel in the Gloucester Road area. Jazz booked this as a favour to me, since she usually takes her in-calls in the Croydon area.

The Lady:

Sex appeal personified. Jazz is a statuesque ebony beauty, 'tall, dark and beautiful', as it were. She has a wicked chuckle and sense of humour and is great fun to be around, and even more fun to look at when she is 'au naturel'.

The Story:

I saw Jazzmine numerous times 2-3 years ago, always with out-calls in a 'day room' at the Hoxton Hotel which, sadly, no longer offers bargain rates for this use. We drifted apart as my own circumstances changed and I became unable to plan and book out-calls in advance as I had before. But Jazz has altered her call policy and we met again - and it was as though we had never been apart.

Since I know Jazz's body and (sadly) she knows mine, we got down to business pretty quickly - after all, it had been a long time since we had been in bed together. I had brought along a nice bottle of red and a corkscrew and she proceeded to uncork the bottle and soon thereafter to uncork me. A description of our carnal reunion probably would make fairly dull reading to anyone not knowing both of us, but it had the desired affect. I described our foreplay above - our aftermath involved lying in the nude, eating roast chicken sandwiches and polishing off the claret.

Jazz is delightful and I happily recommend her. And a bottle of red and some gourmet chicken sandwiches will get you everywhere. ;-)
