The Premises:

Top floor flat close to EC tube station. Fairly main road but it was getting dark so felt anonymous. Fourth floor I think so a bit of a climb (stairs only). Quite nice bed-sitter, attractively lit, perfectly good for the meeting. Good shower with lots of hot water. I felt very comfortable.

The Lady:

The pictures on the web site (various other agencies also) are quite photoshopped and not a perfect likeness but she ticked all my boxes: mid-20s, good-looking Polish girl, 5'6", athletic, great legs, bum and natural boobs, mane of black hair, some small tatoos mainly hidden by hair and (great) stockings (which stayed on!). A smoker but will not if you ask not to.

The Story:

A booked session which I had researched meticulously had to be cancelled, so for plan-B I thought I would take a risk and try someone with no reviews but who I liked the look of. Am I glad I did! Barbara was very friendly and welcoming from the start. She said her aim is satisfaction and she certainly succeeded. Her English is not great but nevertheless we managed a good conversation, with joking and laughing and no awkward moments. We shared the wine I had brought and when the action started she blew me away, including, throughout the session, the best, most wonderful kissing I think I have ever had. She said she is pretty open and she was - everything on her list with enthusiasm in the nearest thing to a perfect GFE from my point of view: lovely response to my efforts, great use of a strategically placed mirror, and the whole just flowing beautifully. Up with the best I have experienced in London and I would go back tomorrow if the bank balance permitted.
