The Premises:

this was an outcall to my address

The Lady:

and amazing looking lady, perfect figure, face to die for, words alone do not do her justice

The Story:

made booking for abbie to travel to my home, not many ladies would entertain this but very pleased abbie did.

very good in communications, being discrete and once arrived made herself more comfortable than i was. chatted and had a drink together got to know each other.

the actual physical part of the meet was sublime, explored each other and she didnt dissappoint in any way , jus a shame our time came to an end but will sure to see her soon
