The Premises:

Council flat close to Whitechapel Station. Busy enough to feel safe and anonymous, but not exactly Mayfair. Flat itself is clean, warm and comfortable.

The Lady:

As her pictures in the service provider directory on PN, Diana is a tall, leggy blonde with a nice smile. She speaks good English albeit with a pretty strong EE accent, and is very friendly and cheerful.

The Story:

Diana advertises a pretty wide range of services for a non-full-service masseur. I'd previously visited her for an excellent swedish massage where she had worked on my bad shoulder very professionally before drifting into a very enjoyable body-to-body.

This time, as my shoulder felt good and I'd so enjoyed my earlier experience, I went for the tantric massage, and wasn't disappointed at all.

The first 10-15 minutes are a very good, very thorough massage (using heated oil, which makes everything so much better) before moving to a much slower, more sensual massage. Everything feels very relaxed and natural, and the ending is very happy indeed.

?120 seems like quite a lot for tantric massage but I can say it's definitely worth it, and I'll definitely be visiting again when I'm in the area.
