The Premises:

Chesterfields location is ideal and easy to find. Safe enough, reasonably discrete entrance by the canal. The room was spacious with a large double bed (bed was poor and springy though). I don't want to sound fussy here but unless you like dust and cobwebs it really needed a bit of a dust and Hoover. Maybe the cobwebs were because it was Halloween? No really, it could be a special place if it just had a bit of a clean up but that's not why we go I suppose.

The Lady:

Stacey is a brunette, slim size 8-10 early to mid 30's, very attractive and fun! A no-nonsense girl who genuinely wants to please and is easy to talk to too. I will definitely be going back to see her whether or not they get the duster out, she's good looking and good fun which I find leads to great sex!

The Story:

It's been a while since I've bothered to leave a report and the only good reports I ever left have been deleted due to the girl retiring but I enjoyed Stacey so much and she was genuinely such a nice girl that when I mentioned punternet and the lack of Chester escorts on the site she said she was up for a review so here it is.
