### The Premises:

I have visited this flat before previously to see Georgina so I knew about the discreet location and safe parking bay. Isabella and the lovely Eve now work here

### The Lady:

Isabella is a slender size 10 with small pert boobs and big nipples. She is very down to earth, caring and has a good sense of humour

### The Story:

I have previously visited Eve and trusted that she would only work with girls of a similar standard. I wasn't disappointed. I was greeted by Isabella who was wearing the outfit I had requested. She looked stunning. She was very attentive throughout the appointment and her massage was excellent. I felt very comfortable and safe in the flat and would not hesitate in returning to see either of the girls. In fact, my Christmas gift to myself is going to consist of a threesome with them both and I can't wait. Thank you Isabella for such a lovely time.
