### The Premises:

HOD II is entirely fit for purpose, very professional and friendly. In the same block I think as the Euston Road legend Dani Lovejoy, lately retired to Denmark, so it was familiar territory. Very anonymous on the outside, which is my preference.

### The Lady:

Jane has fabulous cascading auburn hair, stunning eyes and a super smile. She's not 21 (she says 28 on the web) and in that, she's a bit like the marvelous, peerless Miss Pink Cupcakes. She's timeless. And she, too, also has big knockers.

### The Story:

I felt I had to visit HOD II, just so I could tick it off on the list. I've been flirting with the ?100/hr brigade of late, so HOD is a bit pricey for me. But actually it's not pricey, as you know you won't be taking a gamble, at roughly one-to-two on, that the door will be opened by some dodgy old boiler, who hates her job and you in equal measure. I'm not bitter.

Jane and I exchanged soft kisses, she rubbed her lovely boobs all over my tired body, we shagged like bunnies, I went home happy. She offered me the trusty ?CIM?, but instead I opted to come on her breasts. I guess they spoke directly to me - all creamy smooth and soft - and I felt compelled to answer their command. And my answer was?er?.?squirt, splurt, splash?.
