### The Premises:

As usual for Ego - clean, safe, warm, discreet, abundant nearby free parking. Showers are still horribly hit-and-miss with regard to supply of warm water (there must be a plumber out here who could give the showers a direct feed from tanks in the attic??)

### The Lady:

Very attractive, slim, pretty, brunette, mid 20's. C-cup boobs, trimmed below. Works Monday & Thursday she tells me. Naked massage is ?60 for 45 mins, plus ?10 for body to body or touching.

### The Story:

Cheerful, chatty girl with soft hands and a nice touch. Starts off with a gentle slightly teasing massage on the back, legs and thighs. Positions herself at my head for a lovely view and some gentle touching, then a bit of body to body. Turned over for more massage and the main event, which was skilfully and slowly administered both from the side and then from on top, which allowed me to fully appreciate the view.

Lovely, pretty, naked girl, very pleasant manner, unrushed : the FBSM formula that works for me. Definitely recommended.

Since the demise of the FBSM forum on the message board I hope more punters will report their experiences of the non-full service variety.
