The Lady:

Stunning. A very attractive blond lady, greeted me wearing a leather basque, stockings and thong. Slim with medium-sized boobs and just enough curve around the hips and bum. Polish, but speaks very good English.

The Story:

It's been several years since I have punted in London, but I struck gold with this lady. I was on a day trip to London and looked for ladies near to Paddington Station, and was lucky enough to find Kate's profile on the other site.

As described above, Kate is a very attractive girl in her 20's. I explained the services I wanted (oral both ways, rimming on her, anal play on me) which she readily agreed to, and the price remained as advertised with no attempt to up-sell or charge extras.

Started with uncovered oral on me, which was very good. Whilst doing this, she moved round on the bed and wriggled out of her thong to allow my fingers to roam, whilst her blond hair brushed across by belly and thighs - very sexy.

On to rimming her - it was a sight to behold as she presented herself with her bum in the air, and head and shoulders flat on the bed. I feasted on her clean arsehole for a while before turning her onto her back and started giving her reverse oral. I won't kid myself that she actually came, but she made all the right moves and noises.

We finished with her expertly administered anal play to me with toys and condom-covered fingers while I wanked myself to orgasm.

I had another quick shower and then had a friendly chat while I got dressed. At no point was there any attempt to rush me.

All in all, a great punt with a top-class service provider. If you are passing through Paddington and have some spare time, you would be mad not to visit this lovely lady.
