The Lady:

Wow! About 5'7" tall, long brown hair, slim, fantastic enhanced boobs and a beautiful pert bum with a deep tan - perfect! Danny is very pretty and could be a model, she bears more than a passing resemblance to Carmen Electra.

The Story:

I've been to gfe many times and have never been compelled to write a review until now! Upon being introduced to Danny in reception, my decision who to choose was made much easier. Even though all the girls were gorgeous (particularly platinum blonde Hannah) - Danny is a stunning brunette - just my type. I followed her beautiful bum upstairs with my heart in my mouth and sweaty palms! In the room, I opted for the Gfe. This started with a lovely soft back massage, Danny had removed her bra and I could feel her hard nipples on my back as she kissed my neck and ear. I turned over and she licked and sucked my balls and shaft like no one else has before. I returned the favour and kissed her smooth shaven pussy, slipped a finger inside her wetness and licked her clit until she came noisily on my Tongue. She asked me to fuck her hard - missionary with her legs over my shoulders at first, then doggy style so I could hold her fantastic bum. Then it was her on top, with her grinding herself into me while we kissed and I sucked those amazing boobs. She came again loudly and asked me to lay back. She then did something that I've never experienced before - she alternated between licking my cock, my balls, perineum and bum - wow! This was too much to bear and I finally exploded! What an absolutely fantastic experience! Thankyou Danny, I will most certainly be back! Xx
