The Premises:

My hotel close to Heathrow.... Clean, easy to get to & discrete.

The Lady:

Genuine Indian, 5ft5, long dark hair, slim yet still got curves in the right places. Much better than her pics suggest on the other site.

The Story:

This was my 2nd attempt to see her, 1st was ages ago when she cancelled pretty much last minute with a emergency. TBH I thought she was having me on but something about her made me think to try again.

Booked for 5pm but something came up so I cancelled but my meeting finished early so rang her at 4 to see if was still available & she turned up (much to my surprise, was ready to be cancelled on again) bang on 5pm. ... basically I am saying I was wrong 1st time she is genuine & reliable.

I was waiting in reception to meet her as the lifts needed a card to operate it, when I saw her from a distance, OMG She looked like Julia Roberts from pretty woman, knee length tights, tight short with a cardigan ... she looked so hot.

She performed as good as she looked.... plenty of touching, kissing, diff positions, was keen on round 2, friendly, plenty of conversation(for once not to waste time but it was fun) nice massage to finish.

She said she takes incalls near the Angel in London & I should visit her there, I will have to take her up on that offer.... probably best punt so far, it will take a special lady to beat what Rani has to offer.
