### The Premises:

Basic, cheap and cheerful.

Convenient as I'm staying in a hotel round the corner

### The Lady:

Slim, sexy, perky little breasts

### The Story:

I showered first and she entered whilst still in the shower. Normally i expect sufficient time to finish and dry myself off.

Eventually I lay onto the bed, where she came to sit beside me. As I was semi erect, she decided that it was time to place a condom on.

She then started to suck me off, which was OK, but a little to much teeth for my liking. Very soon she moved over as if she was going to climb aboard, which was way too soon for me. I requested 69 but she wanted more money. Normally I don't experience extra charges for this from the other girls at Bentleys. I refused and she carried on sucking me before very quickly getting on board to ride me. After a few minutes she wanted me on top, which suited me fine as she was getting tired. Bit of missionary, she asked me if I'd come, I said no. I pulled out and got her on her hands and knees, again she asked if I had come, again no. Pounded her for I while, then slipped out, which is when she turned around and started wanking me off. She gave no opportunity to carry on, so it ended there as I was a bit put off.

Overall I was disappointed, I've had good times at Bentleys, but she wasn't very interested and too mechanical. Even though this was only 20 minutes I felt rushed,
