### The Premises:

A flat near to the tube. Not a palace but safe and cosy. The area is transversed by the A4 so crossing the roads is a danger. The area is safe.

### The Lady:

Naomi is a very pretty black woman. She has lovely breasts, skin and a sexy face. Her body is fit.

### The Story:

Greeted in the jeans I adore. Her good communications had ensured that the sex with, CIM, RO and general fun were on all delivered. She took the took the jeans off to reveal a shaved pussy and sexy body. I kissed her and she took gentle control. Naomi is a very positive woman who delivers the highest level of pleasure. My cock disappeared into her mouth and with swift head movements sucked and licked. The 69 was special and whilst massaging the front wall of her vagina with fingers and clitoris with tongue a perfect sexual frenzy.

Naomi fucked me cowboy and with one condom used she massaged my back firmly. Naomi is good company and chats away. The sex returned with sex in missionary and blow jobs. I had my arms wrapped around her butt with my face buried in her. The orgasm was great. The time had flown no clockwatching and with the offer of a shower and more talk I left. A big smile and only the Talgarth Road to cross. Life is good.
