The Premises:

Rough: Undecorated and dirty. She did say that she'd just moved in but you have to wonder.

The Lady:

Not too bad for her age: Slim, leggy and a great pair of enhanced boobs.

The Story:

Another one of those disappointing AW punts: If you look for her profile on the other site, Penny claims to be "37" and that she, "loves anal so much, it's included in my rates". Take both those statements with a pinch of salt: She's nearer 57 and anal was offered at ?10 extra. In truth, when I complained she did repent but by then I'd lost interest.

I can't say that I didn't get what I went for, just wish that the profile was less misleading
