The Premises:

flat above a shop main Manchester Road in Denton Buzzer entry very safe parking in side road
clean well kept place

The Lady:

Mid Fifties size about 16 blonde short hair, a lady of many talents, very nice and Punter focused
wants to please, she has several numbers to contact because she specialises in tantric massage
which is what I had also has an excellent school room full domination room with all the gear. I think
has been in this industry a few years

The Story:

I had a great time fantastic massage with all the oils, I could have had a taster for ?25 but I get
embarrassed at paying that to use someone's time and premises, She is a nice lady and took her
time with me I enjoyed the tour after and will certainly go back
