The Premises:

A well known establishment in Kensington. Tiny shower room. Clearly 2 girls in there so not very private.

The Lady:

Nothing like her photos - much older mid twenties I'd say and more Chinese than Japanese. A bit more curvy than I was looking for - certainly no size 8 - more like a decent size 10.

The Story:

The worst experience. I'd been wanting to have a visit with a Japanese girl for a while but based upon a previous bad experience I asked agency for ones who did CIM and OWO. Aya was suggested so I booked for an hour. I was about 20 minutes late but had let agency know tube was a problem. Upon arriving, no preamble a quick massage then condom in mouth - WTF ! That's all I do she says - any way I persevered and a half decent covered bj but so far no kissing, no touching. A leg massage followed and I suggested she move up and sit beside me - she said "no" and offered a handjob. At this point I said enough was enough and said I was leaving. She offered me ??50 back from the ??150 I'd paid for an hour. Called agency who denied any of the services I was after were on offer - I showed the girl her webpage on my phone - she said she knew nothing about the photos. Massive bait and switch agency in my opinion! Avoid !
