The Premises:

Nice clean private flat with discreet entrance. I know this part of Reading and it is certainly safe. I was comfortable with both the location and accommodation.

The Lady:

Beautiful, brunette, cute, girl next door type of attraction, around 25, lovely person with a great friendly attitude and knows sensuality in its true sense.

The Story:

Found on the other site; was known as New Sexy Kate; now known as New Sexy Katie. It was a lovely, sensual and relaxed experience. We all have our own tastes, but I will be surprised if anybody does not enjoy at least being with Katie. Proactive in a sweet gentle welcoming way; genuinely wants that one should enjoy the experience; has only learnt English recently; and yet loves to and is good at conversation; obviously smart and educated; and no clock watching (we actually ran over time; entirely my fault, loved conversing with her).

I never divulge details as that must remain private and is always dependant on the chemistry; but she delivers all that is promised and more!

A really very sensual and relaxed experience! I shall definitely be back!
