### The Premises:

Hotel near Jct 5 M5. All as you would expect of a hotel, except that initially I wasn't expecting to make the booking and go to a hotel approx 7 miles from her profile location.

### The Lady:

20's, dark hair, average looking, tall, lovely breasts, shaved pussy.  
Probably eastern European.

### The Story:

The booking of this lady all went smoothly, except as I say I was surprised the incall was at a hotel. I was pleasantly surprised when she opened the hotel room door. However she was clearly not the lady who's profile I saw on a well known adult site.

Money paid, some intimacy ensued, but after about 10 minutes into the encounter it became apparent she was going to attempt to dominate me.

Er um not my thing, so I went along with it a wee bit but "fought back".

After another 15 minutes it really became clear this wasn't going to work out. She then said she was a dominatrix, I said that was not on her profile and it was nothing we had discussed. She got huffy, I said I'm leaving and want my money back. We settled for half.

When are these Eastern European operators going to learn not to blag their profiles and think that every Joe is going to accept the reality.

Just say no guys !!
