The Premises:

A hotel in central Guildford, she gave me the room number, couldn't be easier

The Lady:

Stunning black beauty. Approx 5 foot 7, big D cup boobs, amazing arse and extremely pretty. Dressed as requested in short skirt, heels and lots of cleavage on show. Instant hard on

The Story:

She mad me welcome straight away, greeteing me by throwing her arms around me and full french kissing. After the finances were sorted, she continued before dropping to her knees and performing an amazing uncovered blowjob. I didn't want to stop her as it was so good and inevitably it ended with me coming in her mouth, fantastic.

She cleaned up, had a bit of chit chat, she is caribbean and has a very sexy accent, she is also extremely friendly and easy to connect with. The chit chat led to more of the same and round 2 commenced, I fucked her doggystyle and then came for a second time in the old mish position, very rare I ever come twice.

Alexus is someting special. I love black ladies and she is one of the best around
