The Lady:

Tia has had some quite sizeable tattoos since the pics on the website were taken, but otherwise they're accurate. Face is blurred out, but as previous reports will testify, she's beautiful. Lovely and slim figure with large enhanced boobs and a bum I couldn't keep my hands off.

The Story:

I had tried to see Tia twice before with no joy, so evidently it turned out to be third time lucky! She came into the room, gave me a few kisses and went out again while I had a quick freshen up in the shower.

What followed was an hour or so of superb OWO, RO, 69 and sex in different positions (with some very pleasant chat in between rounds). She tried valiantly to coax a second pop out of me late on, but with the clock ticking the pressure was on (as well as the heat, it was roasting in there) and I had to concede that her efforts were in vain this time. I must be getting old...

Tia wanted to make my time as enjoyable as possible, and she certainly succeeded. If you are lucky enough to secure a booking with this lovely lady, you will not be disappointed! Thank you Tia xx

Thanks also to everyone behind the scenes at HoD Towers for making this booking happen too, I'm extremely grateful.
