The Premises:

Charlotte's place is 5 minutes walk from the main railway station. There is a lot of building work being carried out in the area which means a lot of people about but I felt safe and didn't feel exposed. Her flat was clean, comfortable & very welcoming.

The Lady:

Charlotte's pictures on her website give you a good idea of what to expect. A 5'6" curvy, intelligent & busty sexy lady. What struck me the most was her warmth and smile which made me feel like I was very welcome.

The Story:

This was my first meeting with Charlotte and she made it very easy for me to feel at home & welcomed. Once the business side was taken care of I was offered a drink & took a shower (this was not included in my booking time which is a nice touch as it leaves the full time for the fun part)

The main event was a perfect GFE with lots of kissing, hugging & mutual fun. Charlotte's website is very clear on what she enjoys & offers, & what she doesn't do. I only got to experience a few of these this time and can't wait to try the others when I go back.

I found my time with Charlotte was very enjoyable, fun and flew by too fast. At no time was there any sense of being rushed out the door and whilst there I was made to feel special and had her undivided attention throughout.

Overall I highly recommend Charlotte if you are looking for a sensual, intelligent, sexy girlfriend experience and I will be returning as soon as I can.
