The Premises:

Cosy rather than small and clean, with a nice bathroom. The building is one that would be very familiar to most oriental fanciers, and quite safe - located between the Queensway and Bayswater tube stations.

The Lady:

Loveliness personified. Beautiful 'all natural' body, gorgeous face with the cheekiest smile. Sophia is a very intelligent young Thai woman who knows exactly what she is doing, enjoys her work and comes across with the quiet confidence of a very classy modern courtesan, which adds to her beauty.

The Story:

Known by another name as an escort, Sophia recently decided to refocus her services and concentrate on offering Full Body Sensual Massage exclusively now, which she finds more relaxing and satisfying, and for which I can only say 'Amen'. If one likes sensual body-to-body massage, it would be hard to imagine a nicer body to experience it with - everything in proportion, nothing in the extreme - than with Sophia. She offers a menu of services on her website but they are all variations of FBSM, and Sophia sets her own boundaries - and she will let you know what they are. This was my first meeting with her but I expect that there will be many more. She loves red wine and she absolutely looks like Venus as she sips it in the nude. It doesn't get much better than this, for me!

If you want FS, Thai-style, you missed your chance. If you want FBSM with a beautiful young Thai woman, the queue forms to the right.
