The Story:

Looks like she's back guys. I'm submitting this follow-up as the current FR makes it look like she's in Coventry.

Now calling herself XX Hot Ania XX on the "other site"

I submitted a FR on her, after a really scary visit in Aldershot, which can be found here...

http://www.punternet.com/frs/fr_view.php?recnum=110164

She moved to Coventry it seems, but now she appears to be back in her old stomping ground.

Again, draw your own conclusions but this seems like one very risky set-up to me, and not all that it should be.

Be warned!!!
