The Story:

I'd seen Honey a couple of times last year when she was at Decadent Divas, so we didn't need to make small talk to get to know each other. Honey loves to suck cock and I love to lick pussy so this session ended up a full-on mutual oral feast. Starting with Honey taking me in her mouth, lots of eye contact, spitting on my cock and plenty of dirty talk eventually Honey moved up my body with her impressive boobs making themselves felt all over me before Honey straddled my face and pushed her lovely fleshy pussy onto my mouth grinding herself against my mouth as my tongue teased and pleased, with Honey becoming more and more exited and wetter and wetter. Honey's words when we moved from this position were "kiss me, I want to taste my c*nt juices!"

And the mutual oral sex continued getting more and more rampant, with 69s, sideways 69, back into 69, face sitting, RO with my head clamped between her stocking clad legs almost unable to breath and soaking wet. Finally Honey said "f*ck my mouth and fill me with your hot spunk" There was no way was I not going to oblige with this so with my legs up against her boobs I straddled Honey's chest, and in no hurry and savoring every minute I slowly complied and the sight of my cum spurting onto her tongue, filling her mouth and then covering her lips and chin is a pure porno sight and one that I'll never forget! Finally in keeping with the PSE, Honey is always happy to take part in some nice dirty cum play!

Very easy to get along with and will make the most nervous of punters feel relaxed, enthusiastic, full of fun and if you are looking for a full on PSE, Honey is the one for you!
