### The Premises:

My hotel

### The Lady:

Pretty face, but photos on site have no tattoos & when she arrived she had various large tattoos. (Not a problem if you like that, but puts me off I'm afraid)

### The Story:

Afraid it's probably the worst bedroom experience of my life. I prefer a bit of fore play & break the ice, but she just stripped straight off & was very brisk/businesslike.

She put condom on straight away, about 30 seconds of hand action and then she tried to go straight into cowgirl despite the fact that I still wasn't hard, so she spent an embarrassing amount of time trying to force things when I clearly wasn't ready & that just made it worse for me as it felt like a ridiculous situation. In the end she gave up & just said bluntly "shall I just wank you off then?"

Was obviously in a hurry to get things done and back out the door as quickly as possible.
