The Lady:

Totally stunning. Beautiful soft blonde hair, awesome body and the face of an angel but with just the right amount of twinkle in the eye that says I can be a very naughty girl whenever I want. One of the most striking women I have ever laid eyes on, never mind make love with??the perfect woman.

The Story:

I haven't written a review in ages but I wanted to say thank you to Rebecca for the fantastic time we spent. She turned up at my hotel immaculately dressed and we had some wine at the Hotel bar and had a good chat before retiring to my room for some action.

It really was total pleasure and I would never dream of seeing another escort when visiting London while she is around. Basically it is down to one thing; she is quite simply a lovely person who ensures you have a fantastic time. The fact that she is stunningly beautiful obviously adds to the enjoyment factor but it's the way she treated me that made her a bit special. I have seen many escorts, excellent and awful, but few could come near this lovely lady.

The services Rebecca provides were outstanding and ticked all my boxes, so I needn't go into detail of our time together. Except to say this lady is completely wonderful in the way she interacted and was dedicated in satisfying my needs.

Definitely a keeper !
