The Lady:

Attractive 20 something. Around 5'4, small sensitive boobs, slim.

The Story:

One of those punts which could have gone either way but I ended up being very pleased! Holly's description by the maid was, as always, a little off the mark. Nonetheless, she's attractive and chatty. We agreed ?10 extra for OWO. WS & Dom were offered but I declined. Started with some nice, slow gentle kissing, marred slightly by the lingering taste of tobacco. Not enough to make me stop though :-). Progressed to RO but although sh allowed me access, she clearly wasn't that keen... Things got a lot better when Holly started her OWO. Really good technique, not the deepest I've ever had but still a great feeling. What really impressed me was that she kept it up for ages: So many girls give 20 seconds worth of lick and tug and that's your lot. Not so Holly. I was torn between coming in her mouth or her pussy. With time nearly up, she asked if I wanted to fuck her properly and who could refuse. A few seconds later I came bucketloads! As I said to her, that was the best ?10 I've spent in a long time. ?45 per 1/2 hour parlour fees on top of course but still very good value.
