The Premises:

Safe area. Just past Harrods. Tiny flat your couldn't swing a cat in, which is ironic as she brought her little chihuahua dog along.

The Lady:

Cracking massive tits and gorgeous face, but she has put on some timber compared to her photo around her belly. Still fit.

The Story:

Aggressive OWO and nut sucking which she is a pro at. No sucking on tits. Talks dirty throughout. Missionary and doggy. Only one DFK. Asked for CIM but she didn't hear me, told me 'time is nearly up' so I spaffed during doggy. She had stubble on her pussy which was a shame but is a good fuck.
