The Lady:

Absolutely gorgeous. Beautiful face and perfect natural body. Speaks perfect English with a nice Spanish accent.

The Story:

I had a rare day free, but my local regular was unavailable so I decided to take a trip to the big city. After the driving and tube journey and then dragging my weary bones from South Kensington tube (only a five minute walk if you're fitter than me, and most people are) I really wasn't sure I had the strength for it. But being a reliable chap, and having booked and confirmed I felt I should turn up. I'm not used to travelling and felt a bit knackered. To be honest, I was wondering if I was past it as far as this game was concerned.

All that changed dramatically when Ella came in. She is incredibly beautiful and very sexy indeed. She kissed me passionately and I knew I'd come to the right girl. I'm not good at describing mechanics, so I won't try, except to say that she did everything that I expected and hoped for, to perfection and with great enthusiasm. Attitude and connection are what matter most to me, and Ella excels there as well. She really did seem like your 23 year-old girlfriend, though I wish I could say I'd ever had a girlfriend anything like her. She seemed to be having a really good time herself, by doing everything possible to give me a really good time. She was pro-active all the time, leading me when necessary and never letting things go quiet, except when I asked for a rest. She maintained eye contact virtually all the time, and I will never forget the lascivious smile on her face as she continually encouraged me. A completely genuine-feeling girlfriend experience.

In short, Ella is a delight. Perfect in every way.
