The Premises:

The whole setup is great, nice discreet entrance at the rear of the buildings through an alley, clearly marked "kSG" EASY TO FIND on google maps. Overall SAFE!

The Lady:

Absolutely BEAUTIFUL! Even better than her pics suggest. A little slimmer than expected(I like a little more meat personally), but she had the body of an angel. Her bust is Perfect , and she has curves in all the right places. GREAT BODY overall.

The Story:

Buzzed the door, in about 10 seconds the door was opened(guess they were checking me out on cameras). Went in, saw reception, chose Demi straight off. I was offered a shower but had one before I got there so that no time was wasted. I Was lead by reception to a room that was dimly lit, but bright enough to see everything, where I waited for DEMI to come in. She came in 2 mins later, gave me a very warm welcome, introduced herself and offered me a massage. I chatted with her a bit as she has an excellent personality and makes you feel at ease. I will not describe the massage and the details but I will say that if you are reading this to get more comfortable about going to a massage parlour for the 1st time and choosing the right lady, you have chosen the right report to read. Go to KSG, I trust them and will be returning regularly.WORTH EVERY PENNY!!!
