The Premises:

In an upmarket place very easy to find. Inside flat was very clean and safe.

The Lady:

Maaria is a slim lady with brown hair and brown eyes with a petite body. She is from East Europe and in her early 20's.

The Story:

Greeted at the door by Maaria with a warm smile. She was dressed in a mini skirt and stockings as requested. I was asked if I wanted a drink and was led to the bedroom. After paperwork out of the way I was directed to the shower as per my request. When I got back Maaria was on the bed with very sexy lingerie and proceeded to french kissing straight away. She is a great kisser!

Having been turned on by this I asked for OWO which was performed fantastically by Maaria. She didn't do CIM despite me offering to pay her extra but I knew this before hand and tried my luck.

We then proceeded to intercourse as I didn't want to explode in her mouth. Maaria gets very wet when you touch her, she is very sensitive especially her vagina, which is very responsive.

Maaria was tight compared to other ladies I have been with, feeling her tightness gave me motivation to continue. After round one Maaria was really keen to continue as she wanted to come. I found this very interesting as other ladies prefer wasting time.

Overall, most things are on the table with Maaria, she provided great OWO, kissing and sex in various positions and really does enjoy herself. I will be arranging another meeting with this gem really soon.
